## Chapter 1 by Feyre Archeron

When summer comes it's the best time in the world! We go on vacations to different states like Florida, California, Minnesota, Missouri, Montana, Maine, Texas..... Anyway I came to talk about one particular vacation. We went to Washington D.C. and it was so awesome! First we went to see M.T Rushmore and then we went to a water park that was huge! It had so many slides and rides.

We ate cotton candy, funnel cakes. Funnel cakes are so delightful they can light up any gray day your having. We waited for 1 hour before we went back into the water. While we were waiting I found a couple of my friends and visited for a while. Then we all went down this slide called the toilet bowl. We went down that slide so many times. It was awesome. Then by then the time flayed by so fast it was already 5:30 pm, and we got there at 9:00 am and we were going to stay until 1:45pm, but ended up to stay until the closed. We got kicked out. We went home and unpacked and lived on with our horrible lives about having to wake up early in the morning to go to school.
